

Broken Bike? We can help!

Make A Difference Day

Moving Gears Bike Shop is a STEM focused service learning volunteer group made up of 7th and 8th graders who attend the BASE Afterschool Program and adult volunteers. Thanks to a ServeOhio grant, we are able to buy supplies to repair broken bikes of our community members so we can all enjoy bicycling again! We can fix tires, tubes, seats, handgrips, chains, make adjustments and lubricate moving parts. Donations to our cause are welcome!

WHEN? Saturday, October 24

WHERE? Partners Park Pavilion, Marysville OH

TIME? 10:00 a.m. – 2:00 p.m.

Other activities will include...

- *Higher End Bike Parts Yard Sale
- *Refurbished Bike Giveaway
- *Free Bike Helmets
- *Information from the Union County Health Department on Active Transport Commute and the Union County Master Trail and Greenway Plan
- *Information on adaptive cycling for individuals with special needs
